**Follow these simple steps to make wearable antlers!**

1. Punch out the pieces and make sure to clear all the slots.
2. Fold the antler pieces along the dotted line to make a crease.
3. Slide the two antler pieces onto the front band.
4. Connect the back band to the front band. Adjust to head size with the back band. Use extenders if necessary.
5. Congratulations! You have made an antler headband! Wear them with pride!
