EVENT AREAS

EXHIBITS

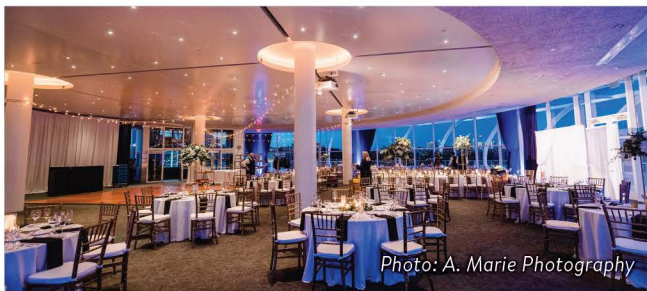

LABS/CLASSROOMS

Pavilion 800+ guests

Experience stunning views of Lake Michigan and the Milwaukee skyline. Featuring lakefront lawn and patio space, full AV capabilities, production mounting, and fiber internet.

Patio & Amphitheater 600+ guests

Connected to the Promenade and Pavilion to provide unique indoor/outdoor experiences in a picturesque lakeside environment.

Roger & Judy Smith Family

Pilot House 500+ guests

Stunning 360-degree circular ballroom with a panoramic outdoor terrace overlooking the Milwaukee skyline and Lake Michigan. Full AV capabilities, custom exterior lighting, and fiber internet.

Promenade 300+ guests

A spacious area perfect for hosting event registrations, business fairs, or markets, offering a linear floorplan and beautiful views of the harbor.

Todd Wehr Theater ... 130+ guests

With theater seating and a large integrated screen/projection system, this space is perfect for presentations and keynotes. Open the curtains to enjoy beautiful views of the Lake Michigan harbor.

Block Party 375+ guests

This interactive space is filled with oversized blocks, inviting attendees to collaborate and construct unique structures. Exercise your creative muscles while you enjoy networking and team-building in a fun, relaxed atmosphere.

Great Lakes Future ... 200+ guests

Featuring a scale model of the Great Lakes, this interactive exhibit connects the Pilot House, Aquarium, and Promenade for a unique cocktail experience.

Power On 200+ guests

Power up your event with this exhibit, featuring a Van de Graaff generator, Tesla coil, and more! Conveniently connected to both the Promenade and Pavilion for a seamless event experience.

Reiman Aquarium 120 guests

Wisconsin's largest aquarium provides a unique meeting space. Can be combined with other room rentals or reserved separately.

Automation Everywhere 100+ guests

This two-story exhibit invites guests to mix and mingle with robots while enjoying their drinks and views of the Milwaukee skyline.

Automation Lab 20 guests

Focused on circuits, robotics, coding, and programming.

Curiosity Works 20 guests

A space to inspire exploration and self-expression through color and design.

Freshwater Sustainability Lab 20 guests

Focused on Lake Michigan and fresh water as a resource, this lab space highlights water quality, invasive species, and freshwater organisms.

Kohl's Design It! Lab 18 guests

A making space that explores architecture, engineering, and design. Open to the public on weekends, offering guests creative hands-on projects.

THIRST Lab 16 guests

Explores water's role in manufacturing consumer products.

Health Sciences Lab 12 guests

A hands-on space focused on anatomy and microorganisms.
