

# SUMMER CAMP 2025

## Scholarship Application

### Important note regarding the process:

Discovery World is able to offer a limited number of scholarships thanks to the generosity of our donors and partners who have contributed to the Discovery World Access Fund. Scholarships are provided on a first-come, first-served basis.

### In order to qualify for a scholarship, applicants must:

- Submit a completed application per child
- Submit a demonstration of financial need
- Submit a letter or drawing from the child
- Have transportation access to and from Discovery World for the full duration of the camp
- Commit to attending the entire camp

### All completed scholarship applications with required documents can be submitted via:

- Email: [scholarships@discoveryworld.org](mailto:scholarships@discoveryworld.org)
- Mail: Discovery World Education Dept., 500 N. Harbor Dr., Milwaukee, WI 53202
- Fax: 414-765-0311, Attn: Education Dept.

### How much will the scholarship cover?

Scholarships will cover between 30% and 90% of the camp tuition. Scholarships are distributed on a sliding scale based on financial need. You are responsible for paying the remaining camp balance not covered by the scholarship. Please note, scholarships do not cover additional material fees, transportation costs, or extended care session fees. In addition, scholarships are not available for Learn to Sail camps.

### How many weeks of camp can I apply for?

For our funding to reach as many families as possible, we can award qualified families up to two (2) camps per child, based on availability. On your application, please select multiple camps of interest in case your first-choice camp is already full.

### Can I apply for more than one child?

Yes! **Each** child needs a completed application. One copy of acceptable income documentation is suitable for multiple children in the family household.

### What are acceptable forms of income documentation?

For examples of acceptable income documentation, please see “Part 3” on the application. **Black out all sensitive personal information** (for example, social security numbers, bank account numbers, etc.) if you are submitting tax returns. All information submitted as part of the application process will be kept confidential and will be destroyed at the end of the camp season.

### How/when will I be notified about my scholarship?

All applicants will be notified of a decision via email within three (3) weeks of submitting their application. Please make sure to include a valid and clearly printed email address, that you look at frequently, to receive scholarship information and updates.

### My application has been accepted. Now what?

If you are awarded a scholarship, you will be required to pay any remaining camp balances and, if applicable, any additional materials fees. You will also be required to complete a Camp Emergency Contact Form and other camp documents. Your reserved summer camp spot will be held for three (3) weeks after you receive a scholarship acceptance email. You are required to submit payments and completed Summer Camp Forms within three (3) weeks of your acceptance email, otherwise the scholarship will be forfeit and your place will no longer be held.
