MAY: STRING FLING

This month in lab we are exploring the wonderful world of string with several string themed crafts.

DROP SPINNING

MAY 2ND-3RD AGES 5+

Join Waukesha Makers' Space's drop spinning expert Renee Love and learn the ancient technic of spinning yarn.

POM POM MAKER

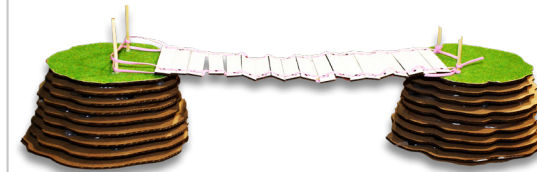

MAY 9TH-10TH ALL AGES

Customize and create a fluffy, cute, colorful pom pom ball.

ROPE MACHINE

MAY 16TH-17TH ALL AGES

Take a spin on our rope making machine to see how industrial strength rope is made. Take a sample home.

ROPE BRIDGE CHALLENGE

MAY 23RD-24TH AGES 7+

Careful! You are tasked to build a rope bridge but there is a twist. You only have 10 minutes and it has to hold 1lb of weight. are you up to the challenge?

BIOYARN

MAY 30TH-31ST ALL AGES

The yarn of the future is made of Algae! Make your own sample of bioyarn using syringes and chemical baths.

NEXT MONTH: RECYCLED GARDEN

Craft beautiful paper flowers in lab and learn about the art of flower arrangement and different ways to use design in your garden.
