## JUNE: RECYCLED GARDEN

10-15 MINUTES AGES 5+

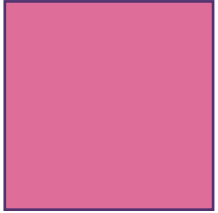

Craft beautiful paper flowers in lab and learn about the art of flower arrangement and different ways to use design with flowers.

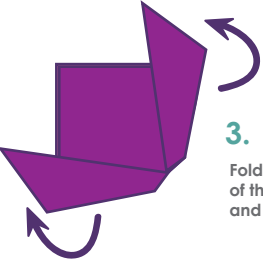

### HISTORY OF PAPER FOLDING

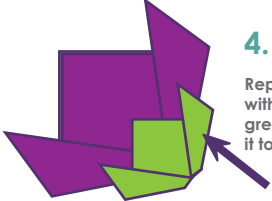

The Paper folding technics we are using in lab are based on Jongie Jupgi, the ancient Korean art of paper folding. Jongie Jupgi dates back to (2333 B.C -108 B.C.)

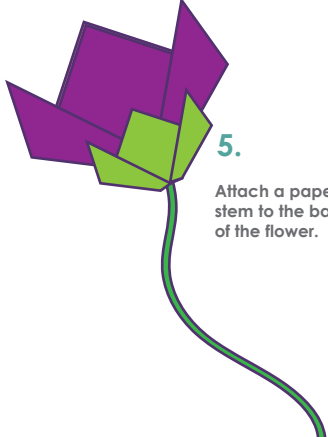

## HOW TO FOLD PAPER TULIP

- 

1. Grab a square piece of paper. Feel free to color your paper sheet.
- 

2. Triangle fold your paper in half, connecting it corner to corner.
- 

3. Fold the corners of the triangles up and over.
- 

4. Repeat that process with a smaller piece of green paper and glue it to the bottom.
- 

5. Attach a paper stem to the base of the flower.
