

STINGRAY WRISTBANDS

Artist: Evan Jackson

1. Punch out the pieces and make sure to clear all the slots.
2. Feed the two ends of the band into the slots at the top of the body (the side with circles etched). Make sure the eyes on the band are facing up.
3. Place band and body around wrist.
4. Connect end tab of band at desired size. You may need help connecting it on your own wrist.
5. Congratulations! You made your very own Stingray Wristbands!
